

Fargo Card Printer Warranty Price List

Fargo Standard Warranty

Provides warranty coverage on parts (including printhead), labor and depot repair in the first year. Printhead coverage subject to evaluation if returned after 60 days. Fargo DTC® Series and CardJet™ 410 standard warranties include the "On-Call Express" program. This program provides a loaner printer when the original printer is in for repair. (U.S. only)

Fargo Extended Limited Warranty

Provides extended warranty coverage for an additional year and includes warranty coverage on parts, labor and depot repair. This limited warranty does not cover the printhead and does not include the "On-Call Express" program. The Fargo Extended Standard Limited Warranty may be extended up to four years. (Discounts apply to the second year extension only and must be purchased prior to 60 days after the original printer invoice; otherwise, full MSRP pricing applies.)

Fargo Extended Full-Service Warranty

Provides extended warranty coverage for an additional year and includes warranty coverage on parts, labor, depot repair and the "On-Call Express" program. This warranty does not cover the printhead. The Fargo Extended Full-Service Warranty may be extended up to one additional year. (No discounts apply.)
